COMMERCIAL.

Cairo, Ill., July 6, 1869.

In consequence of yesterday having been generally observed as a holiday, we have fewer sales than usual to report, but enough to indicate the state of the market. Trade continues fair for the season, and present appearances seem to indicate that business will not reach that stage of extreme depression which has been so common in former years.

FLOUR has been in fair demand, with a tendency to better rates for the lower grades. Sales compare

40 lbs low grade Superfine..... \$4.75

75 lbs Superfine..... 5.00⁵⁰

225 lbs XX..... 5.75⁰⁰

175 lbs XXX..... 6.50

200 lbs XXX..... 7.00⁵⁰

75 lbs Family..... 9.50

CORN and OATS continue extremely scarce, with some demand to fill orders. The former would readily command twice for choice white, and the latter 75 cents.

RAV is quite dull, with no sales except in retail lots or stores.

PROVISIONS continue in fair demand at previous rates with sales of 3000 lbs country clear sides at 17¹/₂, 18¹/₂, 19¹/₂ lbs Hog round, in bad order, at 12¹/₂, and 22¹/₂ lbs country hams at 18¹/₂.

CORN MEAL is in good demand, scarce and higher, 20 lbs fresh sold at \$3.35, and old dried now held at \$4.00.

BUTTER is in good demand for choice, with sales of 10 lbs selected Northern at 25⁰⁰, and small lots of fair to good Southern Illinois at 20⁰⁰.

Eggs are unchanged, with a good demand. 25 boxes sold at 12¹/₂ shillings count.

POULTRY is in good demand for large young chickens and fat old ones, but others are neglected and dull. 5 cobs old chickens sold at \$1.25, and 5 cobs young at \$2.00⁰⁰ according to size and condition.

VEGETABLES—10 lbs new potatoes sold at \$1.50

\$4.00 per bushel, and 15 bushels onions at \$3.50.

FREIGHTS are unchanged and in good demand.

The next regular tobacco sale will be held on Thursday the 8th inst., and bids fair to equal any that have preceded it.
